Orders that the limit for the Classification of Works as Minor be raised from Rs. 4,000 to Rs. 10,000.

READ—

Government Order No. P.W. 5832-33, dated the 12th April 1945, sanctioning, for the duration of the War, the proposal to raise the limit of Rs. 2,500 to Rs. 4,000 for classification of works (Public Works Department) as Minor.

2. Letter No. W.M. G.C. 146, dated the 7th May 1952, from the Accountant-General Mysore, Bangalore, suggesting that, in the circumstances stated, the limit of Rs. 4,000 referred to in the Government Order read above, be raised to Rs. 10,000.

ORDER NO. FL. (B) 5614-18—C.R. 24-52-8, DATED BANGALORE, THE 4TH SEPTEMBER 1952.

According to paragraph 28 of Mysore Public Works Account Code, works the sanctioned estimate of which exceeds Rs. 2,500 are treated as Major Works. This limit was temporarily enhanced to Rs. 4,000 in the Government Order dated the 12th April 1945 referred to above.

On account of the abnormal rise in the cost of labour and materials after the war, the cost of works has increased to three to four times the pre-war rate. It is therefore considered necessary to enhance the above limit further with a view to simplify the accounting procedure and to reduce clerical work in posting details by sub-heads. It is, therefore, directed that the limit fixed in the Government Order, dated the 12th April 1945 read above be raised to Rs. 10,000.

Necessary amendments to the Mysore Public Works Account Code will issue separately.

Secretary to Government,
Finance Department.
